Enthusiastic Supporter

THE AMHERSTVIEW JETS JUNIOR HOCKEY CLUB is a non-profit community organization administered by a volunteer Executive and Board of Directors.

OUR MISSION is to provide opportunities for junior age players in the local area.

OUR SUCCESS is best illustrated by recent graduates of our program, Jay McKee (Sudbury Wolves – St. Louis Blues), Bryan Allen (Oshawa – Florida Panthers) Scott Todd (Oshawa Generals). We have players who have played with academic inspiration among them players who have entered Medical School and Engineering.

OUR FUTURE is dependent upon the support of our sponsors, fans and volunteers. The Jets organization would like to encourage you to become involved. In the attached letter we have described some options you may consider.

OUR FUNDING is derived from Sponsorship, gate receipts and various fundraising projects. Competition for fundraising dollars is quite fierce, particularly for a volunteer organization.

OUR STRENGTH and added value relates directly to supporters such as yourselves, your contacts, in your business and personal areas of influence will provide a source of funding and allow the organization to remain fiscally sound.

Please review the attached sponsorship options and commit to help in any way you can.

Sincerely,

Kim Waller

AMHERSTVIEW JETS JUNIOR HOCKEY CLUB

21 Years of supporting Junior Hockey

We are happy to say our team won the Empire Junior B League in 2008/09 season and went on to the O.H.A. semi finals and lost out to Alliston. In fact, the last six seasons we have had six trips to the finals, and three league championships. It is with the great support from sponsors like you that helped make this happen.

Each game will have a game card which will show the team lineup and the schedule for the season. Your ad will be in this each and every home game, plus other information regarding the team and its activities. We will have a banner hung in the arena with your name/logo on it as well.
